

BOOKING FEES AT TREFOIL TRAILS

A booking fee is payable to confirm booking of a site. Points to note:

- when a booking is made it is listed as “tentative” on the online booking calendar and in the office records until the booking fee is paid
- a group can book well in advance but delay paying the booking fee until closer to its event, keeping first priority to have the site
- booking fee payment is due no later than two weeks prior to use (or immediately if booking less than two weeks before the event)
- the booking fee is generally non-refundable*

If another group sees “tentative” on a site booking and wants the dates then the original group who booked will be contacted and required to pay the booking fee right away to confirm use (given a few days to get payment to the office), or give up the booking.

Booking fees remain as:

- \$30/site for Guiding groups in Bridging Rivers Area
- \$50/site for Guiding groups outside of Bridging Rivers Area

Half the booking fee will be credited back toward ground fees calculated after camp.

For details about Trefoil Trails – check the [Area website info](#)

**In the case where a group has booked and paid the fee and then finds that it must cancel, the booking fee is non-refundable unless/until another group takes the booking and has paid the booking fee. In that case a refund, or transfer to another date, can be made.*
